# CIRCUS HARMONY

## Our Mission

**Circus Harmony** teaches the art of life through circus education. We work to build character and expand community for youth of all ages, cultures, abilities and backgrounds. Through teaching and performance of circus skills, we help people defy gravity, soar with confidence, and leap over social barriers, all at the same time.

By turning you upside down,  
We teach you to stand on your own two feet.  
By dropping objects,  
We teach you to catch them.  
By having you walk all over someone,  
We teach you to take care of them.  
And, by clowning around,  
We teach you to take yourself seriously.
